

Download A Text Book Of Pharmacology And Therapeutics

The Indian Journal of Pharmacology (ISSN 0253-7613) is an official publication of the Indian Pharmacological Society. The first issue of the journal came out in 1969 and in 1997 it was published Bimonthly. IJP publishes original research articles, reviews, research letters and correspondences. Journal of Cardiovascular Pharmacology and Therapeutics is a peer-reviewed journal that publishes original basic human studies, original animal studies, and original bench research with potential clinical application to cardiovascular pharmacology and therapeutics. The focus of the experimental studies is translational research. The journal also publishes review articles on basic research ... Pharmacology is the branch of biology concerned with the study of drug action, where a drug can be broadly defined as any man-made, natural, or endogenous (from within the body) molecule which exerts a biochemical or physiological effect on the cell, tissue, organ, or organism (sometimes the word pharmacon is used as a term to encompass these endogenous and exogenous bioactive species). special sale - order "iv therapeutics" for \$99.50 and get all your credits in one course. quantities are limited.
