Standardized Tests Are Here to Stay. By now, there isn't a U.S. household with school-age children that hasn't experienced a standardized test, be it national assessments like the SAT-9, SAT-10, MAT-8, Iowa Test of Basic Skills (ITBS), or TerraNova Assessment Series (CTBS/5 and CA STAR), or state tests like the FCAT (Florida), TAKS (Texas), and MCAS (Massachusetts). The ACT test is a curriculum-based education and career planning tool for high school students that assesses the mastery of college readiness standards.
