Ancient Aliens has long had a bit of a fetish for the planet Mars, one born of the ancient astronaut theory's historical position as a product of the middle twentieth century, when "space alien" and "Martian" were largely synonymous in pop culture discussions of aliens. Mike Bara New York Times Bestselling author of "The Choice" and "Dark Mission - the Secret History of NASA" and frequent Ancient Aliens contributor. Welcome the thirteenth season of Ancient Aliens, a depressing milestone that also offers another sad monument to American stupidity. At the conclusion of this season, the show will have been on the air for ten calendar years, a decade of recycling the same claims originally made in the show's 2009 pilot TV movie. Author and Professor of Religion Ben Zeller brings to light the Tenth Anniversary of the UFO Cult "Heaven's Gate" mass suicide. To Heaven's Gate this act was an graduation and a transition to celebrate the alternative dimension.
