

# **Download Cummins Mercruiser Qsd 20 Diesel Engines Factory Service Re**

This is a list of all the used boats we currently have for sale. To book a viewing or water test of any of our boats call us now on +44 28 7136 8779. The problem you face is those Yanmars are very compact - the only other engines that might fit are the Cummins QSD-4.2 300 hp (the B series is too big), but honestly, they have a pretty lousy reputation too, and are being dropped by Cummins; or the Volvo D4-300 hp, which is a solid motor, but a repower with two of those will set you back \$85-90k, and who in their right mind would spend that ...
