Flowers in the Blood [Gay Courter] on Amazon.com. *FREE* shipping on qualifying offers. Beautiful Dinah Sassoon, daughter of an affluent opium trader and pillar of Calcuttas tight-knit Jewish community Stories and Meanings Many flowers from around the world appear in mythology. The anemone, carnation, hyacinth, lily, lotus, narcissus, poppy, rose, sunflower, and violet are among those that are associated with stories or customs from various cultures. Opium (poppy tears, with the scientific name: Lachryma papaveris) is the dried latex obtained from the opium poppy (scientific name: Papaver somniferum). Approximately 12 percent of the opium latex is made up of the analgesic alkaloid morphine, which is processed chemically to produce heroin and other synthetic opioids for medicinal use and for illegal drug trade. **CLICK PHOTOS FOR LARGER VIEWS.**

Amaryllis – According to legend, Amaryllis was a shy, timid maiden who fell deeply in love with Alteo, a shepherd with Hercules' strength and Apollo's beauty. Her affections, however, were unrequited. Alteo loved plants and flowers more than anything and said he would only give his heart to the maiden who brought him a unique flower he had never seen before.
