So back under the hood we go in the quest for more ponies, yes its a wrangler but we all know everything with horsepower is more fun. Going into the supercharger installation i knew that the OEM intake system was a huge restriction so an air intake was a must but i was limited on choices because the Sprintex supercharger uses the OEM filter box.by Scott AmmermanQuadravec Channel Correspondent Hardtop envy. For anyone who spends their days awkwardly maneuvering a soft top up and down on their Jeep, jamming window zippers into a slot and hoping they catch, well, hardtop envy is a thing. But is buying that hardtop really worth it to replace your soft top? Short answer, maybe.Adaptive cruise control (ACC) is an available cruise control system for road vehicles that automatically adjusts the vehicle speed to maintain a safe distance from vehicles ahead. As of 2019, it also called by 20 unique names that describe that basic functionality. This is also known as Dynamic cruise control.Corsa performance exhausts offer improved horsepower and an aggressive sound available in 3 levels- Xtreme, Sport and Touring. Browse all Corsa exhaust systems at LM Performance and get free shipping.
