

Download Pratt And Whitney Supermicrometer Model B Manual

PURCHASE INFORMATION : PURCHASE ORDER TO: Pratt & Whitney Measurement Systems, Inc. 66 Douglas Street, Bloomfield, CT 06002-3619 Telephone: (860) 286-8181 Fax: (860) 286-7878 Note 1: If not purchased with instrument, requires on-site service (align, lap, or internal adjustment). P&W field service rates available upon request. Bought this Pratt & Whitney Supermicrometer Model B. Last calibration date was 1998. There is a special base that goes with the machine, which I didn't take pics off cause its heavy and didn't feel like lugging it from garage. Machine itself while looking manageable is unbelievably heavy. Takes 2 people to lift and carry several meters or maybe 1 really strong guy. Available machinery and equipment. CNC JIG GRINDERS. Hauser S50-CNC311 bridge type, 34x40 table, 36" X table travel, 24" Y grinding head travel, 25" W cross beam travel, \$70K upgrades in 2004 to hold 70 millionths, new GE Fanuc 21iM control, dual chop grinding, recertification 2007, dual stroke, new scales, milling attachment, used for about 10 holes in past 12 years, repriced \$54500 lower
