

# Download Professional Aspects Of Nurse Anesthesia Practice

Requirements for a Master of Health Science Degree in Nurse Anesthesia. Required Courses (70 credits): HSC 001 Professional Aspects of Anesthesia Practice 0 credits

The Council on Accreditation of Nurse Anesthesia Educational Programs (COA) requires that all students matriculating into a nurse anesthesia educational program on January 1, 2022 or thereafter be enrolled in a program approved by the COA to award a practice doctoral degree. Our Nurse Anesthesia program has a history of excellence. The fourth-oldest program in the United States, established in 1945, the program currently ranks No. 22 in the nation by U.S. News & World Report.

What Sets UM-Flint's Anesthesia (DNAP) Program Apart? The Doctor of Nurse Anesthesia Practice Entry-Level Program at UM-Flint prepares you to become a registered nurse anesthetist capable of providing quality anesthesia care.
