Narrative

Writing is an important skill, but revising your writing is also. In this lesson, learn the basics of self-editing, including editing for content and for mechanics, such as grammar and misspellings. Revising is a way to learn about the craft of writing. Phyllis Whitney famously wrote, "Good stories are not written. They are rewritten." Learning to revise teaches students about the characteristics of good writing, which will carry over into their future writing. Revision skills complement reading skills; revision requires that writers distance themselves from the writing.
