Master Electrician's Exam Workbook Based on the 2017 NEC ® is designed for electricians preparing to pass local electrical licensing exams. Step-by-step examples are used to simplify complex calculations. The four 100-question exams in the back of the book help the learner practice answering exam questions and become efficient at looking up Code information. Dear Twitpic Community - thank you for all the wonderful photos you have taken over the years. We have now placed Twitpic in an archived state. Unlike string, thread, and line (which are single units of fiber material), rope is a combination of braided fibers which helps to increase strength.
