Suicide and Gender In almost all countries for which statistics are available, suicide is more frequent among men than women (see Tables 1 and 2), a trend that prevails in most age groups.

Slow Death and Overdoses Many people wonder if the use of alcohol and drugs is a way of committing suicide by "slow death." Most persons who abuse these substances are taking them chiefly as a kind of self-medication to reduce their stress.

College Essay Three. The winter of my seventh grade year, my alcoholic mother entered a psychiatric unit for an attempted suicide. Mom survived, but I would never forget visiting her at the ward or the complete confusion I felt about her attempt to end her life.
