

Download The Erosion Of Autonomy In Long Term Care

The American middle class is a social class in the United States. While the concept is typically ambiguous in popular opinion and common language use, contemporary social scientists have put forward several ostensibly congruent theories on the American middle class. Depending on the class model used, the middle class constitutes anywhere from 25% to 66% of households. It's difficult to deny that humans began as *Homo sapiens*, an evolutionary offshoot of the primates. Nevertheless, for most of what is properly called "human history" (that is, the history ...2 REBUILDING TRUST IN LONG-TERM SAVINGS Trust is a fundamental part of our daily lives and our financial system.
